

**V CLASS**

EXPERIENCE THE EXCEPTIONAL

# AMELIA

As is always the case with Princess, style and versatility are paramount and the flexible V48 sports yacht with an enclosed deck salon offers so much more. The yacht's interior is finished to the highest standard in a modern yet timeless classic style. The lower deck offers an innovative flexible salon that can be used as an entertaining space or can be quickly and easily converted to provide 2 additional overnight berths. Amelia has 2 cabins; a beautifully appointed master en-suite, with seating area providing a luxury sanctuary, whilst the forward cabin enjoys the option of scissor berths. Amelia has an upgraded 13.5kva generator plus additional 16000BTU air conditioner fitted to the salon for additional comfort during the Middle Eastern summers. Amelia is also fitted with a zero speed Seakeeper stabilizer system (factory fitted) designed to virtually eliminate boat roll for extended comfort. Manned by a full time Captain & crew and with such little usage Amelia is presented like new.

V48

V 48
